Welcome to our new
Teacher!

Hi, my name is Renan and I am a **COMPUTERTOTS** teacher.

I have a degree on English Language and I currently study Business Management. I am also a certified **COMPUTERTOTS** instructor.

I am passionate about technology, sports and different cultures. For me it's a great pleasure to be part of the Computertots / Computer Explores team. I love teaching children new computer skills, and watching their curiosity and imaginations grow.

I hope I get a chance to meet you!
